

Creating and sticking to a budget is one of the most important parts of wedding planning. This guide helps to prioritise your spending, avoid common pitfalls, and ensure your big day is financially stress-free.

The Total Available Budget

Break It Down By Category.

Wedding Priorities

Areas Where We Can Save

Keeping on top of the finances means that you can plan a better day, even if the budget is tight. With a well-planned budget and the right tools, you can create a beautiful wedding day that doesn't break the bank and is unforgettable for all the right reasons.
