

A Wedding host or MC is essential for a stress-free wedding day and can make your wedding day seamless and unforgettable. Use this checklist to ensure you choose a professional who will bring energy, clarity, and a touch of magic to your celebration.

What Do We Want From Our Host?

Things They Need To Know

Key Moments In Our Day.

Other Considerations

Choosing the right wedding Host or MC is crucial to a smooth and enjoyable wedding day. Your Host should be able to help with much more than just making announcements and should also have the ability to add additional, extra value, to your whole event. If you'd like to discuss how I can help make your day unforgettable, please don't hesitate to reach out.
